## **Hansberger Announces Road Improvements in Baldwin Lake & Moonridge**

Third District Supervisor Dennis Hansberger is pleased to announce that the Board of Supervisors today awarded a contract to Ortiz Asphalt Paving, Inc., for \$183,309 to make repairs to several roads in the Moonridge and Baldwin Lake areas.

Ortiz Paving was the low bidder among eight firms that sought the work. "This shows that our competitive bidding process delivers cost savings to the taxpayers," Hansberger said.

Work will be done on Butte Avenue, Colusa Drive, Sun Crest Court and Trinity Court in the Moonridge area; and on Angeles Boulevard, Barker Boulevard, Bufflehead Drive, Fairway Boulevard, Mountain View Boulevard and Teal Drive in the Baldwin Lake areas.

"In 1989, voters first approved Measure I, our half-cent sales tax for transportation – and this is being done with that money. I think it's important for our residents to know they are seeing the benefits from Measure I," said Hansberger.

The project includes repairing potholes, sealing cracks wider than ¼" and overlaying the roads with a rubberized asphalt concrete which is made, in part, from old tires. Work is scheduled to begin by the end of July and be completed by the end of August 2007.
